Section IX.—Postal Directory.

LIST OF POST TOWNS IN SCOTLAND, INCLUDING ORKNEY AND SHETLAND.

EXPLANATIONS.

When in the subjoined list *one* place only is mentioned, it is a Head Office, and when there are *two*, the first is a Sub-Office, and the second is the Head Office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the Sub-Office.

With some exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-Office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices, those only are entered at which Money Order business is transacted; and these will be found under the names of their respective Head Offices.

Offices at which both Money Order and Savings Bank business is transacted, are marked thus *, and those which are Money Order Offices but not Savings Banks thus †.

The last word in the Address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a Sub-Office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name the county must be given.

Inland Postage Regulations.

LETTER POSTAGE.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, *if paid in advance*:—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	2d
" " more than 1 oz., "	"	"	2 oz.	...	4d
" " more than 2 oz., "	"	"	3 oz.	...	6d

and so on, twopence being charged for every additional ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth, or depth. The only *exceptions* to these regulations are in the case of—1. Addresses to Her Majesty; 2. Petitions to either Houses of Parliament, forwarded to any member of such House without cover, or in covers open at the ends; 3. Printed votes or proceedings of Parliament; 4. Letters or packets to or from public departments or public officers in her Majesty's Service; 5. Letters, &c., to or from certain places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the 1st Victoria, cap. 33, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

PERIODICAL PUBLICATIONS, INCLUDING NEWSPAPERS.

Periodical Publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers), may be transmitted or re-transmitted through the post within the United Kingdom, free from postage, under the following regulations, viz. :—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two	2,295 inches.
Three Halfpence.....	Three	3,443 „
Twopence.....	Four	4,591 „

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so that the whole of the stamp or stamps denoting the full duty shall be exposed to view; and when, in the same cover there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vendor who sends it. For any breach of this rule 2d is charged.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d—must be affixed, otherwise it will be charged 2d on delivery.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

REGISTRATION OF LETTERS, &c.

By the prepayment of a Fee of Fourpence (which must be made not in Money, but by affixing stamps), letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

CONDITIONS ON WHICH BOOKS ARE FORWARDED AT THE ABOVE RATES.

The postage must be fully prepaid, by means of postage stamps affixed. Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book postage, together with an additional rate of a penny, but any packet which bears no postage stamp is charged with double the Book-postage.

Above 4 oz.	... 8 oz.	...	6d

„ 16 oz.	... 24 oz.	...	1s 6d

The Postage must be prepaid by means of postage stamps.

No packet must exceed 24 oz. in weight.

The patterns must not be of intrinsic value.

There must be no writing or printing, other than the name of the person for whom the packet is intended, the address of the sender, a trade mark, and numbers, and the prices of the articles.

The Patterns must be sent in covers open at the ends. Samples, however, of seeds, drugs, &c., may be enclosed in bags of linen or other material, tied at the neck, so as to be readily opened.

Non-compliance with these rules, subjects the packets to be treated and charged as letters.

B.—Where the letter B is prefixed to the Book Post Rate, no packet must exceed 3 lbs.

Letters for India, China, &c., and Holland, Baden, Bavaria and Wurtemberg, will be sent by the route indicated, by the postage paid upon them.

G.U.—According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than 1½ oz.) in weight, and containing any other inclosures than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia above that weight, and containing any other inclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

Non-commissioned officers, private soldiers, or seamen serving abroad, can receive letters for a postage of 1d., provided the letter weigh not more than half an ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seaman, and the ship or regiment to which he belongs, but if any such letters have to pass through a Foreign Country, they are subject, in addition, to the Foreign Rates.

Letters addressed to a Commissioned Officer (whether in the Navy or the Royal Marines), Warrant Officer (viz., Assistant Engineer, Gunner, Boatswain, or Carpenter), Midshipman or Master's Mate, serving abroad, are subject to a uniform British Rate of 6d per ½ oz. each, which must be prepaid, and when such letters have to pass through a foreign country, they are subject to a foreign postage in addition.

Letters to or from Ceylon, Australia, New Zealand, posted wholly unpaid or paid, less than one Rate, are detained, and returned to the writers for postage, but those on which one rate (although not the whole postage) has been paid by stamps, are forwarded charged with the deficient postage and a fine of 6d.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Holland, the United States, California, and Oregon at the following Rate, *which must be prepaid*:—not exceeding 2 oz., 1d; 2 oz., and not exceeding 3 oz., 6d; 3 oz. and not exceeding 4 oz., 8d; with an addition of 2d for every additional ounce, up to 16 ounces, above which weight the privilege does not extend; and at the same Rate of Postage, pamphlets, even though they are not periodicals, may be sent to the United States, California, and Oregon, if not exceeding 8 oz. This is only the British Postage, a further sum being charged on delivery. Other printed books to those places are liable to Letter Rate of postage. There must be no writing upon such pamphlets, except the names and addresses of the persons to whom they are sent.

Certain Postmasters in England and Wales are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:—

1	7½ for Stamps of the value of	1	8
3	3	3	4

Post Office Savings Bank.

ABSTRACT OF REGULATIONS.

Every Money Order Office at which deposits can be received, will be open for that purpose, and for the repayment of moneys withdrawn, during the hours appointed for the transaction of Money Order business at such Office

Deposits of One Shilling, or of any number of Shillings, or of Pounds and Shillings, will be received from any Depositor at the Post Office Savings Banks, provided the deposits made by such Depositor in any year ending on the 31st day of December do not exceed £30, and provided the total amount standing in such Depositor's name in the books of the Postmaster-General do not exceed £150, exclusive of interest. When the principal and interest together, standing to the credit of any one Depositor, amount to the sum of £200, all interest will cease so long as the same funds continue to amount to the said sum of £200.

Every Depositor, on making a first deposit, must make and sign the following Declaration, to be witnessed by the Officer of the Postmaster-General appointed to receive deposits, or by some person known to him, or by the Minister or a Churchwarden of the Parish in which the Depositor resides, or by a Justice of the Peace, and if such Declaration, or any part thereof, shall not be true, the Depositor making the same will forfeit and lose all right and title to his deposits:—

Copy of Declaration, to be signed by Depositor on making first Deposit.

In pursuance of an Act of Parliament, I _____ of _____ do hereby declare to the Postmaster-General that I am desirous on my own behalf, to become a depositor in the Post Office Savings Bank. I do further hereby declare, that I am not directly or indirectly entitled to any deposit in, or benefit from the Funds of this or any other Savings Bank in Great Britain or Ireland, nor to any sum or sums standing in the name or names of any other person or persons in the books of the said Post Office Savings Bank; and I do hereby also testify my consent that my deposits in the said Post Office Savings Bank shall be managed according to the Regulations thereof.

Witness my hand this _____ day of _____ 186
Signed by the said Depositor in the presence of me, _____

Save and except such benefit as I may be entitled to from being a Member of a Friendly Society, legally established; or from such sum or sums as may be standing in my name as Trustee jointly with the Name or Names, and on behalf of any other Depositor or Depositors.

Every deposit received by any Officer of the Postmaster-General, appointed for that purpose, will be entered by him at the time in a numbered book, and the entry will be attested by him, and by the dated stamp of his office, and the said book, with the entry so attested, will be given to the Depositor and retained by him as primary evidence of the receipt of the deposit. The Depositor must sign his name in the place provided for his signature in the Depositor's Book. The amount of each deposit, and the name, occupation, and residence of the Depositor will, upon the day of the receipt thereof, be reported to the Postmaster-General, and the acknowledgment of the Postmaster-General for the said deposit, signified by the Officer appointed for the purpose, will be forthwith transmitted by Post to the Depositor as the conclusive evidence of his claim to the repayment of the deposit with interest thereon.

If the depositor does not receive the acknowledgment within ten days from the day on which he made the deposit, he must apply for the same to the Postmaster-General, by letter, and if necessary he must renew his application to the Postmaster-General until he receives the said acknowledgment.

Interest, calculated yearly at the rate of Two Pounds Ten Shillings per cent., per annum, will be allowed on every complete Pound deposited, and will be computed from the first day of the calendar month next following the day on which a complete Pound shall have been deposited, or on which deposits of a less amount shall have made up a complete Pound, up to the first day of the calendar month in which moneys are withdrawn.

The interest thus calculated will be at the rate of one Halfpenny per calendar month for every complete Pound.

The interest will be calculated to the 31st December in every year, and will then be added to, and become part of the principal money.

Deposits may be made by—

- (A) A Trustee on behalf of another person, in the joint names of such Trustee and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipt and receipts of both the said parties.
- (B) By, or for the benefit of, any person under 21 years of age, and repayment will be made to such minor, after the age of 7 years, in the same manner as if he were of full age.
- (C) By married women; deposits so made, or made by women who shall afterwards marry, will be repaid to any such women, unless her husband shall give notice in writing of such marriage to the Postmaster-General, and shall require payment to be made to him.
- (D) By the Trustees of any legally established Friendly, Charitable, or Provident Society, or Penny Savings Bank.

[NOTE.—In these cases the Trustees must first make special application by post to the Postmaster-General, accompanied by a copy of their rules.]

This Book must be forwarded *once in each year, on the anniversary of the day on which the first deposit was made*, to the Principal Office of the Postmaster-General, in a cover to be obtained at any Post Office Savings Bank, in order that the entries may be compared with the entries in the Books of the Postmaster-General, and that the interest due to the Depositor may be inserted in it.

No charge will be made for the Books at first supplied to Depositors, or for Books issued to them in continuation thereof; but if any Depositor shall lose his Book, and shall desire a new Book, application must be made by him to the Postmaster-General by letter, stating the circumstances, and enclosing Postage Stamps of the value of One Shilling to pay for the new Book, should the application be granted.

No charge for postage will be made upon Depositors for the transmission of their Books to the Postmaster-General, or for the return thereof to them, or for any applications they may have to make for acknowledgments of deposits, or for any application or necessary letter of inquiry respecting the sums deposited by them, or for the replies thereto.

A Depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established, and on his written application, accompanied by his Book, to the Chief Office of the Postmaster-General, in a Form to be obtained at any Post Office Savings Bank, he will be fur-

nished with a Certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed.

A Depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the Trustees or Managers of such Bank a Certificate stating the amount due to him, and thereupon his account with such Bank will be closed.

The Certificate may be delivered to any officer of the Postmaster-General authorized to receive deposits under the Post Office Savings Bank Act, and will be received by him as a deposit of the amount therein set forth, and on the said Certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the Depositor, and an acknowledgement for the said amount will be sent to him.

Any Depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same to the Postmaster-General, in a Form, a printed copy of which may be obtained at any Post Office Savings Bank.

In this Form the Depositor must specify the particulars therein required, and on receipt of it at the General Post Office in London, a Warrant for the amount required, payable at the Office named by him, will be sent to him by post.

This Warrant must be presented by the Depositor at the Post Office named thereon, together with the Depositor's Book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature, and the dated stamp of his office. The Postmaster will take a receipt from the Depositor, on the Warrant, for the amount repaid to him, which receipt is not chargeable with Stamp Duty. The Postmaster-General will endeavour to prevent fraud, and to identify every Depositor transacting business with the Post Office Savings Bank; but if any person shall fraudulently represent himself to be a Depositor, and by forwarding the proper notice of withdrawal, and by presentation of the Depositor's Book, and compliance with the Rules of the Department, shall obtain any sum of money belonging to that Depositor, the Postmaster-General will not be responsible for the loss thereof.

Repayments will be made only to the Depositor in person, or to the bearer of an order under his hand, signed in the presence of either the Minister or a Churchwarden of the Parish in which the Depositor resides, of a Justice of the Peace, or, in case of sickness, of the Medical Attendant. If the Depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides.

A Form of Order, to be signed by the Depositor on such occasions, may be obtained at the Post Office at which the Warrant is made payable.]

The Officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any Depositor, nor the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his Officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Act.

All Funeral Money is increased Five per Cent. for every Five Years of Membership; and all claims promptly settled within Twelve Hours after application.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretyship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, and most of the Public Companies, Bankers, Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer any loss by the fraud or dishonesty of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of private friends.

Employers, by the existence of this Society are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

Rates from 10s per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.

ENGLISH AND SCOTTISH LAW LIFE ASSURANCE AND LOAN ASSOCIATION.

EDINBURGH: 120 PRINCES STREET.

LONDON: 12 WATERLOO PLACE; 6 KING WILLIAM STREET.

GLASGOW: 44 and 46 GEORGE SQUARE; 29 BUCHANAN STREET.

THE BUSINESS carried on by this Association embraces every description of risk contingent upon Human Life, and combines all the advantages of the MUTUAL and PROPRIETARY Systems of Assurance.

The Policies of the Association are secured by a protecting capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

The PARTICIPATION POLICIES receive valuable periodical additions from the profits of the extensive business carried on, both in Scotland and England, and thus present a most advantageous mode of Investment for Family Provision, with entire exemption from responsibility. At last investigation, a BONUS of TWO PER CENT. PER ANNUM was added to the sums assured. Thus, a policy opened in 1840 for £2000 was increased, at Christmas, 1846, to £2280.

LOANS granted, on approved personal security, in connection with Life Assurance

ANNUITIES and ENDOWMENTS on favourable terms.

A NEW PAMPHLET, with full Tables of Rates, and Illustrations of the different Schemes of Assurance embraced in the business of the Association, may be obtained at the Head Office in Edinburgh, or from the Agents throughout Scotland.

By order of the Edinburgh Directors,

HOPE OLIPHANT & MACKAY, Secretaries.

THE various Mechanical Associations throughout America have
stamped "Ne Plus Ultra" on the

WHEELER & WILSON'S SEWING MACHINE.

and a second time, on September 25, 1863, awarded the Gold Medal at New
York.

After a severe trial at the Paris Exposition, 1861, the WHEELER &
WILSON was pronounced superior, and was awarded the Gold Medal. Then,
in 1862, at the London Exhibition, it again triumphed, and was awarded the
First Class Medal ; and again in 1863, in carrying the Medals at Lancaster
and Birkenhead, its superiority was so established in every possible way,
that no Machine since then has had the hardihood to compete, although it
is still open for all comers.

Its mechanism is unlike all others in its beautiful simplicity and perfec-
tion, and Tailors, Dressmakers, and Heads of Families are invited to
examine at
